

UK Excellence Patron's Award Judging Submission

Individual

Submission By: **Scott rolph**

Nominee: **Mohammed Shaikh**

Part 1: Please give us some examples of what they do to deserve to win an award. What sets them apart from the crowd?

Mo has his own charity which supports overseas 3rd world countries/regions who need aid, including building schools, supporting flood and earthquake victims and far more. He does this through raising funds, taking part in charity events himself including scaling a mountain or 2.

Alongside this he has also taking part in the CX World games in the last 2 years which supports global charities with CX and other complex issues they face, including a recent challenge that looked to support refugees from Ukraine.

He always thinks of others first and those less fortunate than himself in all he does. A true example to others.

Part 2: Please give us some examples of the impact that they have had with the work they do.
